

**Missouri Right to Life State
Political Action Committee**

proudly endorses

Andrew Koenig
for the
Missouri State Senate
15th District

Portions of south central and southwest St. Louis County, including
Kirkwood, Ballwin, Manchester, Twin Oaks, and Valley Park

With a 100% pro-life voting record, Andrew is a true pro-life champion in the Missouri State Senate!

In addition to a perfect pro-life voting record, he has been a standard-bearer in the handling of important pro-life legislation and a sponsor and the handler of the “Missouri Stands for the Unborn Act.”

Missouri Right to Life PAC wants Andrew Koenig to continue that leadership defending *Life* in the Missouri State Senate!

His opponent, Deb Lavender, is a darling of the abortion forces!

She has endorsements from Planned Parenthood, National Abortion Rights Action League, Emily’s List, and National Women’s Political Caucus. All of these are ardent abortion supporters and fight for abortion for any, all, or no reason for the entire 9 months of pregnancy.

Lavender is running to protect abortionist’s right to kill babies. Lavender even argued on the floor of the Missouri House that Pregnancy Resource Centers should not be funded to help women in crisis pregnancies. She is not for women’s rights, she is for abortionists’ rights to kill babies.

Babies and moms don’t need her in the Missouri Senate! Lavender is *bad* for Missouri!

**On November 3rd, vote for Andrew Koenig for your State Senator!
Preserve Missouri 15th Senate District’s Pro-Life Heritage!**
